SAFE (Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by _____ [Investor Name] (the “**Investor**”) of \$[_____] (the “**Purchase Amount**”) on or about _____ [Date of Safe], _____ [Company Name], a _____ [State of Incorporation] corporation (the “**Company**”), hereby issues to the Investor the right to certain shares of the Company’s capital stock, subject to the terms set forth below.

The “**Valuation Cap**” is \$[_____] pre-money

The “**Discount Rate**” is [_____]%

See Section 2 for certain additional defined terms.

1. *Events*

(a) **Equity Financing.** If there is an Equity Financing before the expiration or termination of this instrument, the Company will automatically issue to the Investor a number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the issuance of Safe Preferred Stock by the Company to the Investor pursuant to this Section 1(a):

(i) The Investor or the Investor Agent (as defined below), if any, will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such documents are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable ; and

(ii) If the Investor is a Major Investor, the Investor and the Company will execute a Pro Rata Rights Agreement in favor of the Investor, unless the Investor is already included in such rights in the transaction documents related to the Equity Financing.

(b) **Liquidity Event.** If there is a Liquidity Event before the expiration or termination of this instrument, the Investor will, at its option, either (i) receive a cash payment equal to the Purchase Amount (subject to the following paragraph) or (ii) automatically receive from the Company a number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price, if the Investor fails to select the cash option.

In connection with Section 1(b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay (i) holders of shares of any series of Preferred Stock issued before the date of this instrument (“**Senior Preferred Holders**”) and (ii) the Investor and holders of other Safes (collectively, the “**Cash-Out Investors**”) in full, then all of the Company’s available funds will be distributed (i) first to the Senior Preferred Holders and (ii) second with equal priority and *pro rata* among the Cash-Out Investors in proportion to their Purchase Amounts, and the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce, *pro rata*, the Purchase Amounts payable to the Cash-Out Investors by the amount determined by its board of directors in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price.

(c) **Dissolution Event**. If there is a Dissolution Event before this instrument expires or terminates, the Company will pay (i) first to the Senior Preferred Holders any amounts due and payable to them in connection with a Dissolution Event under the Company’s certificate of incorporation (the “**Senior Preferred Holders’ Payment**”) and (ii) second an amount equal to the Purchase Amount, due and payable to the Investor immediately prior to, or concurrent with, the consummation of the Dissolution Event. The Purchase Amount will be paid prior and in preference to any Distribution of any of the assets of the Company to holders of outstanding Common Stock by reason of their ownership thereof. If immediately prior to the consummation of the Dissolution Event and after payment of the Senior Preferred Holders’ Payment, the assets of the Company legally available for distribution to the Cash-Out Investors, as determined in good faith by the Company’s board of directors, are insufficient to permit the payment to the Cash-Out Investors of their respective Purchase Amounts, then the entire assets of the Company legally available for distribution will be distributed after the Senior Preferred Holders’ Payment with equal priority and *pro rata* among the Cash-Out Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c).

(d) **Repurchase**. If the Investor **is not** a Major Investor, the Company may repurchase this instrument from the Investor prior to a Change of Control for the greater of (i) the Purchase Amount and (ii) the fair market value of this instrument, as determined by an independent appraiser of securities chosen by the Company (such repurchase, the “**Repurchase**,” and such greater value, the “**Repurchase Value**”). If there is an Equity Financing within three months of the Repurchase and the Repurchase Value is less than the Aggregate Value (as defined below) of the shares of Safe Preferred Stock the Investor would have received had the Repurchase not occurred (where such value is determined by multiplying the number of shares of Safe Preferred Stock by the Conversion Price and is referred to as the “**Aggregate Value**”), the Company shall pay to the Investor an amount equal to the difference between the Aggregate Value and the Repurchase Value promptly following the consummation of the Equity Financing. Such independent appraiser must be regularly engaged in the valuation of securities.

(e) **Termination**. This instrument will expire and terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this instrument) upon either (i) the issuance of stock to the Investor pursuant to Section 1(a) or Section 1(b)(ii); (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b)(i) or Section 1(c); or (iii) the payment of the Repurchase Value; *provided, however*, the

provisions of Section 1(d) will continue after such payment to the extent necessary to enforce the provisions of Section 1(d) in the event an Equity Financing occurs within three months after the Repurchase; *provided, further*, that Section 5 shall survive any such termination.

To the knowledge of the Company, it is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material indenture or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this instrument do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material indenture or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien upon any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

4. Investor Representations

(a) The Investor has full legal capacity, power and authority to execute and deliver this instrument and to perform its obligations hereunder. 5. *Irrevocable Proxy; SPV Reorganization*

(a) If Investor **is not** a Major Investor, subject to Section 6(a), Investor hereby grants Investor Agent an irrevocable proxy with full power, in the same manner, to the same extent and with the same effects as if Investor were to do the same, in the sole discretion of the Investor Agent to (i) consent to any and all actions in connection with the Company for which the consent of Investor is or may be necessary or appropriate; (ii) receive in Investor’s place, any and all notices in connection with Company; and (iii) without limitation, to do all things necessary or appropriate in connection with the foregoing actions. The Investor expressly acknowledges and agrees that (i) Investor will not impede the exercise of the Proxy Holders' rights under the foregoing irrevocable proxies; and (ii) Investor waives and relinquishes any claim, right, or action that Investor might have against either Proxy Holder in connection with any exercise of the one of the foregoing irrevocable proxies.

(ii) Investor agrees to indemnify, defend, and hold harmless either Proxy Holder from all losses, liabilities, costs, damages, and expenses arising from or relating to a Proxy Holder exercising an irrevocable proxy granted herein. Notwithstanding the previous sentence, Investor will have no obligation to indemnify a Proxy Holder to the extent of any losses, liabilities, costs, damages or expenses arising from the Proxy Holder's gross negligence or willful misconduct as determined in a final judgment by a court of competent jurisdiction. Proxy Holder will indemnify Investor for any losses, liabilities, costs, damages, and expenses arising from or relating to Proxy Holder's gross negligence or willful misconduct as determined in a final judgment by a court of competent jurisdiction, in an amount not to exceed the Purchase Amount.

(iii) The actions of a Proxy Holder on behalf of the Investor constitute the binding actions of the Investor.

(d) The Investor hereby agrees to take any and all actions determined by the Company's board of directors in good faith to be advisable to reorganize this instrument and any shares of the Capital Stock issued pursuant to the terms of this instrument into a special-purpose vehicle or other entity designed to aggregate the interests of holders of Safes.

(d) Neither this instrument nor the rights contained herein may be assigned, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that the Company may assign this instrument in whole, without the consent of the Investor, in connection with changing the Company's state of incorporation or other similar change.
